

PODROBNÁ SPECIFIKACE MANTINELŮ A PŘÍSLUŠENSTVÍ –
VIZ D.1.1.1. TECHNICKÁ ZPRÁVA

Figure 1 consists of four diagrams illustrating the layout of a rectangular area with dimensions 1800 and 1100. The diagrams show different configurations of a blue shaded region and a white unshaded region, with a small square inset in the top-left corner of the white region.

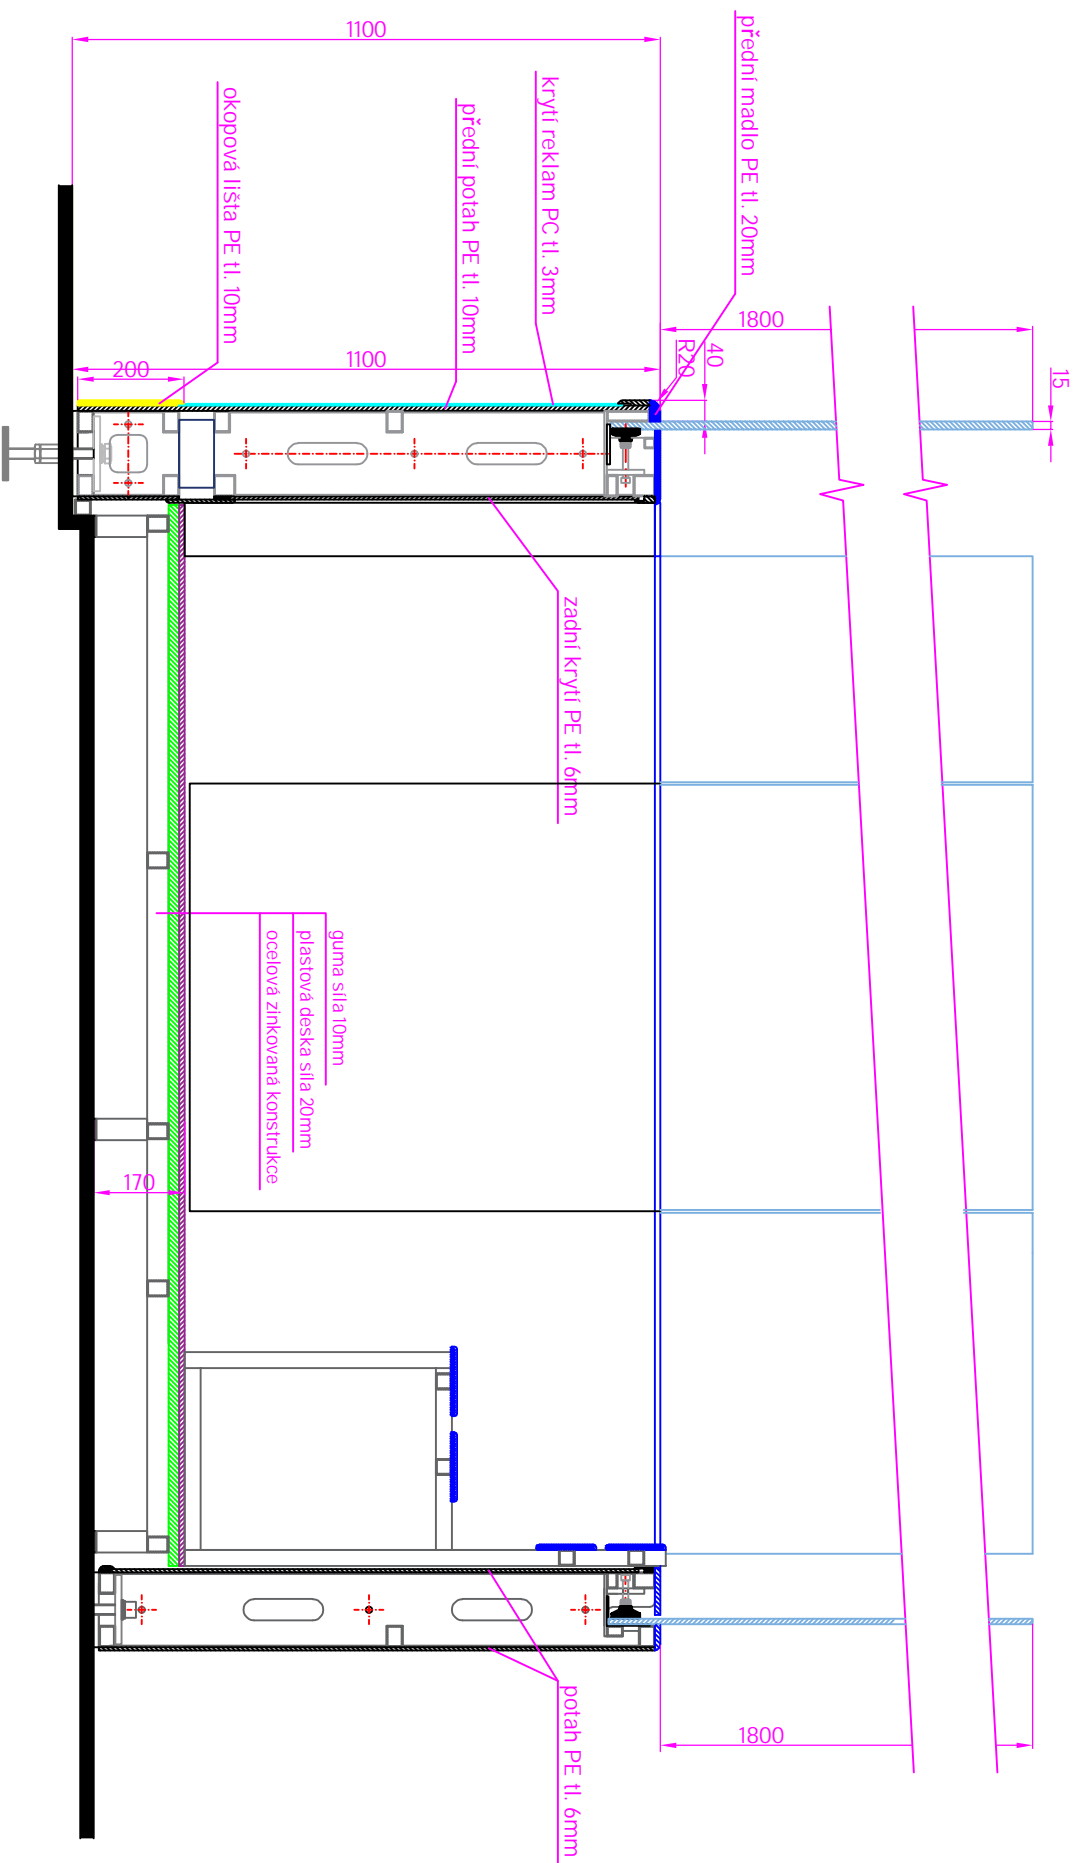

- Top-left diagram:** The blue region is a vertical strip on the left, with a width of 1100. The white region is a horizontal strip on the right, with a width of 1800. The small square inset is located in the top-left corner of the white region.
- Top-right diagram:** The blue region is a horizontal strip at the bottom, with a width of 1800. The white region is a vertical strip on the left, with a width of 1100. The small square inset is located in the top-left corner of the white region.
- Bottom-left diagram:** The blue region is a horizontal strip at the bottom, with a width of 1800. The white region is a vertical strip on the left, with a width of 1100. The small square inset is located in the top-left corner of the white region.
- Bottom-right diagram:** The blue region is a vertical strip on the left, with a width of 1100. The white region is a horizontal strip on the right, with a width of 1800. The small square inset is located in the top-left corner of the white region.
