

# CELKOVÁ SITUACE

A topographic map of the Žďár nad Sázavou region in the Czech Republic. The map shows the Sázava River flowing through the area, with several lakes including Matějovský rybník and Babín. The town of Žďár nad Sázavou is centrally located, with a red rectangle highlighting a specific area in the northeast. Surrounding towns include Sázava, Hamry nad Sázavou, and Vysoké. The map also shows major roads (orange lines) and a railway line (black line with cross-ticks). A scale bar at the bottom left indicates distances up to 2400 meters.
